ACKNOWLEDGEMENT

The knowledge and satisfaction that accompany the successful completion of my task would be incomplete without the mention of people who made it possible, whose guidance and encouragement crowned my effort of success. I would like to thank all and acknowledge the help I have received to carry out this mini project.

I would like to convey my thanks to Head of the Department **Dr. J. Girija** for being kind enough to provide the necessary support to carry out the mini project.

I am most humbled to mention the enthusiastic influence provided by the lab-in-charge **Prof. N. Thanuja**, on the project for their ideas, time to time suggestions, for being a constant guide and constant guide and co-operation showed during this venture and making this project a great success.

I would also take this opportunity to thank **my friends and family** for their constant support and help. I'm very pleased to express my sincere gratitude to the friendly co-operation showed by all the members of **Computer Science Department, BIT**.
